Increasing Visibility

Three tips for
Ensuring That Your Diversity Efforts Are Visible

1. Ask Why Your Organization Needs To Change

The shift in demographics needs to be embraced organization-wide to provide an inclusive working environment for *everyone*.

2. Invite Those From Different Cultures/Perspectives To Have A Seat At The Table

Make sure that there is representation from all groups in the decision-making process.

Three tips for
Ensuring That Your Diversity Efforts Are Visible

3. Create Opportunities To Celebrate Different Cultures And Applaud Success

Recognize important milestones in cultural/ethnic backgrounds to foster positive feelings of inclusion among employees.
